

ABOUT THE VETERINARY CARE FOUNDATION:

The Veterinary Care Foundation (VCF) is a 501(c)(3) not-for-profit charitable foundation and was created to support local veterinary practices in their humanitarian work. Unlike most charitable organizations, the VCF's expenses are funded entirely through membership dues—this means that 100% of every charitable dollar contributed to our members is used to directly fund the care of animals in your community.

Thank you for your support.

PET WELLNESS REWARDS MEMBERSHIP

DEDICATED TO THE
HEALTH AND WELFARE
OF ALL ANIMALS

Our Wellness Rewards Membership is a proactive approach to rewarding pet owners for giving their pets the best chance to live a long and healthy life. We have developed a rewarding membership plan that will make it easier on your budget and support a greater cause at the same time.

Membership Benefits:

- Instant Rewards of 10% Cash back that will be loaded automatically on your membership card with every purchase and can be used like real money towards future services.
- With every dollar you spend at White House Animal Hospital we will donate 2% of the total bill to the Veterinary Care Foundation or to another local animal non-profit organization. This is done with complete transparency and accountability through our membership platform.
- Two examinations (illness or wellness) and nail trimming every year. A \$124.42 Value!
- Many other exclusive benefits that members will get throughout the year.

Why Wellness?

- Because an ounce of prevention is better than a pound of cure, early detection of illness is essential for pets! Regular examinations can help detect the early signs of disease. Sadly, far too many owners are waiting to have their pets examined until it's too late.
- Healthy animals make healthier humans! Many studies have proven the emotional and physical benefits that pets bring us, from lowering depression to having an increased sense of purpose. The impact that pets have on us are immeasurable!

Membership must be active to redeem rewards (stored value) and they cannot be redeemed or exchanged for actual money. White House Animal Hospital reserves the right to change the terms of the agreement at any time.
